RE: ICG Hazard, LLC KDSMRE Permit #813-0315, LRL-2006-1518-odm, UT to
Cave Branch Mitigation, Partial Construction Completion

Dear Reviewer,

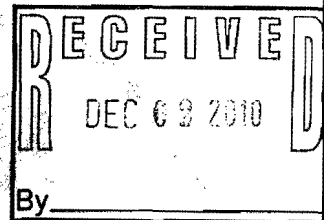

This letter is to serve as notification of the start and partial completion of mitigation construction at the UT to Cave Branch in Wolfe County KY. This mitigation is to serve as the compensation for the jurisdictional stream impacts associated with the ICG Hazard, LLC KDSMRE surface mining permit #813-0315 and the USACE permit #LRL-2006-1518-odm. The Construction was started in September 2010 and construction has temporarily halted due to inclement weather. Construction will resume when conditions allow next year. Upon construction completion, notification will be submitted to the Louisville District United States Army Corps of Engineers along with documentation of the restoration.

Should you require any additional information or would like to schedule a field visit, please feel free to contact me at 859-388-9595.

Sincerely,

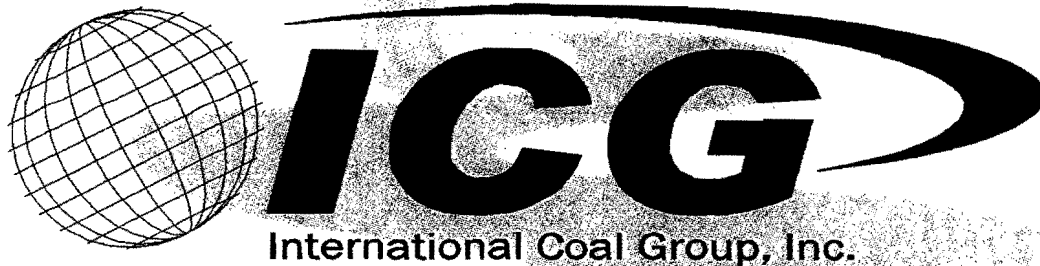

Nick Baker
Vice President/Environmental Scientist
